

Glenn Bott

Event Preferences

Are we going to have some fun and rock this place or what? Here's a short list of his preferences for an engaging and insightful presentation.

Seating Arrangement - Chevron or classroom

Audio/Visual -

- He uses a PC laptop with HDMI connection
- Wireless Lavalier microphone
- Large flatscreen or PC compatible projector
- Screen viewable from all audience locations

Lighting - adequate audience lighting to encourage interaction. Stage lighting to highlight Glenn while not washing out screen.

Stage - Glenn requests a standard 6 ft table at stage center that will support him. This can be removed after the initial 3 minutes. A small table/lectern on side of stage required for notes and laptop.

Don't hesitate to call Glenn if you have additional questions - 303-918-4626.
